

GENDER EQUALITY CHANGEMAKERS PROGRAMME

2023

GENDER EQUALITY CHANGEMAKERS PROGRAMME

OVERVIEW

Engage in applicable key topics that help bridge the gap between theory and practice while having a sustainable impact on your organisation. This **five-course programme** has been designed by subject matter experts and industry thought-leaders, thus offering an engaging and flexible learning experience. **Students enroll once for the full programme. Places in each cohort are limited by capacity. Scholarships are available to candidates who meet a particular set of requirements.**

YOUR JOURNEY AS A GENDER EQUALITY CHANGEMAKER

Five interrelated courses delivered sequentially over 6 months, and require a total time commitment of 6-9 hours per week. Changemakers must complete all five courses to earn a certification.

Develop the skills to become your organisation's Gender Equality Changemaker!

- Develop and update your conceptual understanding.
- Assess the alignment of your organisation.
- Evaluate the resource requirements and create the optimal plan to become an effective Gender Changemaker.

Be added to a Community of Practice (COP)

- COPs are grouped by geography, connect with colleagues who share similar challenges.
- Enjoy support as you develop and implement Gender Change in your organisation.
- Join conversations around gender equality.
- Feel safe to express opinions and develop solutions.

FOUNDATIONS FOR GENDER EQUITY

COURSE DETAILS

This is the first of five consecutive courses for the Gender Equality Changers programme certification. In this course, you will be introduced to foundational concepts relevant to gender work. You will explore gender inequality in contemporary worlds through historical, socio-political, cultural, legal, and economic lenses. You will also learn how these affect your workplace identity today.

CAPSTONE PROJECT SYLLABUS

MODULE 1

Gender Action Plan

Learning Outcomes

As a changemaker, one of your responsibilities is to identify how inequality in your organisation reflects and generates social inequalities. Drafting a gender action plan requires you to draw on your organisational knowledge, an understanding of the Gender at Work framework, and the gender mainstreaming approach. The aim of the assignment is for you to use the knowledge, skills and tools acquired through this programme to draft a gender action plan for your organisation. Drafting a gender action plan requires you to draw on your organisational knowledge, an understanding of the Gender at Work framework, and the gender mainstreaming approach.

You will be required to attend 3 live calls hosted by the Subject Matter Experts (SMEs), attend a Community of Practice (COP) meeting, and then submit your final assignment.

ALUMNI TESTIMONIALS

“My learning experience with the Digital Frontiers Institute has been seamless and insightful given the practical nature of the training and the use of case study scenarios to bring the various concepts to life. The diversity of participants brought to bear the many rich discussions and new perspectives of global gender trends.”

ALFRED KOJO YEBOAH
Regional Director at Grameen
Foundation, Ghana

“This is an excellent course. Insightful, well-conceived, relevant, and interactive. Easily the best course on integrating gender into the organization I have taken so far; thanks to the relevant way it has been designed and the qualitative content. I'll absolutely recommend this to anyone looking to understand the impact of gender and how it shapes the world around them.”

AMINAH JASHO
Founder of un-mothering the Woman
(UTW), Kenya

“I love the quizzes, the breakout room discussions, and the networking opportunities! This course is simply amazing, and I will entreat all – Women and Men alike to join so together, we change the world and make it a better place for us all!”

DR. LORETTA SARPONG
Head of Women's Desk at Ecobank
Ghana Limited, Ghana

ALUMNI TESTIMONIALS

“The GEC Programme has impacted our work with vulnerable groups like children, women, people with disabilities, people living with HIV/AIDS who are seeking free legal services. We now know how to prioritise their cases, push for justice and treat them in a better way using the gender lens during mediations, negotiations and litigations.”

ABWOT RUTH PATIENCE
Project Assistant at Facilitation for Peace and Development (FAPAD), Uganda

“The GEC Programme has had a very positive impact on my life. I am able to communicate my messages better because I have a better understanding of how deep structure in an organisation can lean towards gender inequality. I am honoured to be able to notice subtle injustices in the workplace and address them in a coherent manner because the GEC Programme has empowered me with so much knowledge.”

SHEILA MONICA MAKONDE
Technical Specialist - Environmental Compliance at Abt Associates, Zambia

“My experience with the Digital Frontiers Institute (DFI) team and other learners was very transformational, the interactive learning approach equipped me with practical insights on gender issues as experienced in different cultures, workplaces, and countries. The knowledge gained gave me the much-needed confidence to effectively participate in gender mainstreaming initiatives in my community, workplace and within my sphere of influence.”

SORENSEN TAKUNDA MAZHANGA
Agribusiness Relationship Officer at Ecobank Transnational Incorporated, Zimbabwe
